

This is to certify that

Raffaele Mastrolorenzo

Has successfully completed forty (40) hours
in the Continuous Professional Development Programme

***Structured Study Visit to
Schools/Institutes
& Training Seminar in ICELAND***

Held in Reykjavik, ICELAND,
from 24/04/2016 to 30/04/2016

Professional Development: The participant has engaged in study visits and observation activities in schools; taken part in lectures, workshops and group discussions about education systems, good practice in teaching and learning, dissemination strategies and the European Dimension in Education. The participant has also joined in field projects and visits to places of natural, historical and cultural significance as contexts for creating learning content, and accomplished reflective journal writing while developing their communicative competence in English. Evaluation: **EXCELLENT**.

This Continuous Professional Development (CPD) activity has been organised by **English Matters** in the framework of the **ERASMUS+ PROGRAMME, ACTION KA1**
