This certificate is to confirm that

Andrea Porru

Has participated in the training

INSPIRING TEACHING, TRAINING AND FACILITATION

Carried out by In Dialogue Netherlands

Place and duration of the course:

Copenhagen, Denmark, 16th to the 20th of March 2015, 5 days with approx. 29 hours.

The training contained the following elements:

- An understanding of social constructionist, systems and appreciative approaches to change and learning
- An insight into the elements of the dialogue that make a difference: separation of the dialogue, the power of questions, domains and phases
- Practical exercises that you can directly apply at home - and reflection on them
- An ability to plan and facilitate change and learning processes
- A chance to look at and reflect upon your own reality and position as a facilitator of change and learning
